

2018 TRAINING COURSES

The UP NSRI-RASL, a PRC-accredited CPD Provider for Chemistry (Accreditation No. 2017-006), wishes to announce its training programs this 2018:

Training Program	Schedule	Training Fee*, Php/participant	Deadline of Registration**
Quality Assurance in Chemical Analysis	April 4 – 6, 2018	10,000.00	March 12, 2018
Validation of Chemical Methods of Analysis	August 29 – 31, 2018	10,000.00	August 10, 2018
Seminar/Workshop on Chemical Safety and Chemical Waste Management	December 6 – 7, 2018	7,500.00***	November 16, 2018

*Inclusive of training manual, lunch, AM and PM snacks and certificate of completion or participation.

Note: Non-refundable but transferable with prior arrangement at least one week before the scheduled training program.

**Maximum number of 20 participants per training program.

***A discount of P1,000.00 will be given to companies/participants for the 3rd training course, Seminar/Workshop on Chemical Safety and Chemical Waste Management, if they send/attend in the first 2 training courses.

All training courses will be applied for the corresponding CPD units. The first program on “Quality Assurance in Chemical Analysis” is undergoing evaluation by the PRC CPD Council for Chemistry.
